### **1. Purpose**

These Terms govern participation in the Technopedia Trusted Supplier Program, enabling vendors to submit accurate product information for inclusion in Flexera's Technopedia database.

### **2. Your Obligations**

You agree to provide complete and accurate product data, including names, versions, and lifecycle details (e.g., End-of-Life). You will periodically review and update submitted data to maintain accuracy. All data must be submitted through the Technopedia Supplier Portal or other approved channels.

### **3. Intellectual Property**

You retain ownership of submitted product information. You grant Flexera a perpetual, worldwide, royalty-free license to use, reproduce, and distribute the submitted data within Technopedia and related services.

Participation does not create a commercial relationship or financial obligation. The program is voluntary and intended to improve data quality for mutual benefit.

### **5. Restrictions**

You shall not submit any confidential or proprietary code, executable files, or materials that could pose security risks. You shall not include third-party data without proper authorization.
